

POWERING **MOBILITY SOLUTIONS** FOR TOMORROW

ENABLING PRODUCTS FOR EV MAKERS ACROSS ALL PLATFORMS

BEST-IN-CLASS BUSINESS

- > We power mobility solutions of tomorrow by **designing and manufacturing interconnect and mechanical products** that solves complex design challenges for the mobility market.

WORLD LEADER

- > As a long-time innovator and trusted supplier to the mobility industry, we are the go-to source to develop product technologies for **efficient batteries, motors, power distribution systems and fuel cell components.**

INNOVATING ALWAYS

- > We remain humble about our achievements and believe in continuous improvements to add value for our customers. We improve through **constant innovation** and a **strong focus on R&D.**

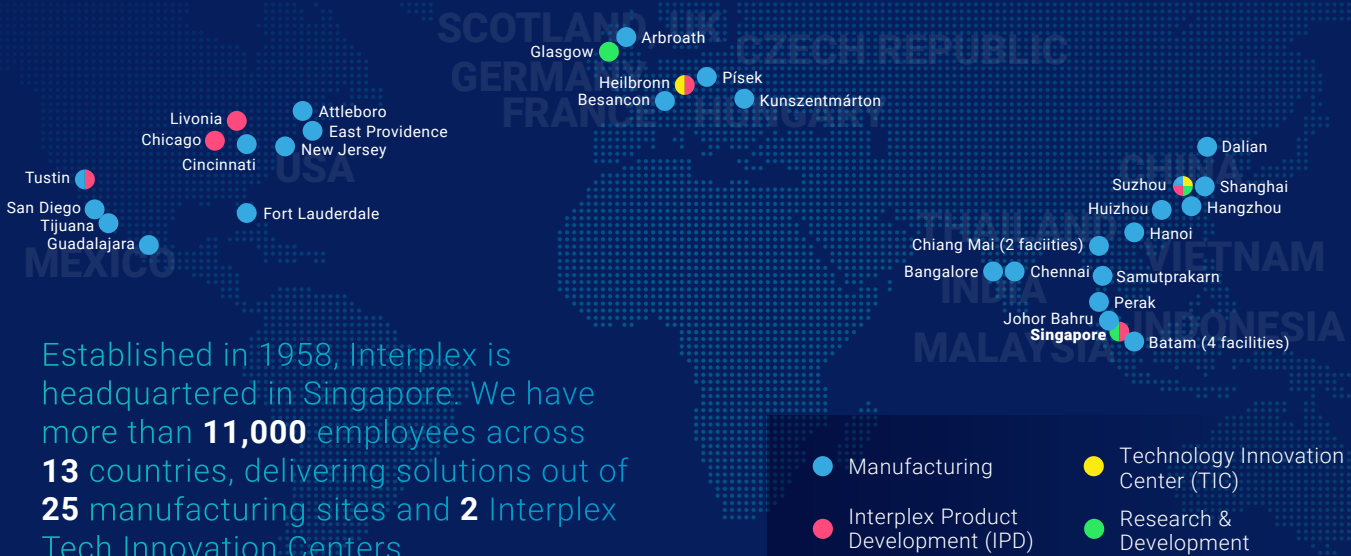

REDUCING YOUR TOTAL COST OF OWNERSHIP IS OUR MISSION

We create value by helping our customers reduce their Total Cost of Ownership (TCO) through our expertise and capabilities in:

- > Product Development
- > Material Science
- > Thermal Analysis
- > Contact Technologies
- > Advanced Metrology
- > Manufacturability And Industrialization
- > Electro- and Electro-mechanical Disciplines

GLOBAL PRESENCE AND LEGACY

SOLVING COMPLEX CHALLENGES THROUGH ADVANCED TECHNOLOGY

We are part of several groups and associations that are driving innovation. This enables us to remain at the heart of innovation and introduce game-changing interconnect solutions.

- > Elektromobilität süd-west Cluster
- > Energieagentur.NRW
- > Fuel Cell Cluster Baden Württemberg
- > Fuel Cell Knowledge Exchange Aachen
- > Fraunhofer
- > Jülich Forschungszentrum
- > RWTH Aachen University
- > Zentrum für Brennstoffzellen Technik

INNOVATING SUSTAINABLY

Sustainability and innovation are our drivers to develop and **produce products responsibly**, minimizing our environmental footprint and **giving back to society**.

The **EcoVadis Platinum rating** reflects our ongoing commitment to achieving our sustainability goals and our belief in **doing our part to leave our children a better future**.

OUR MOBILITY PRODUCT PORTFOLIO

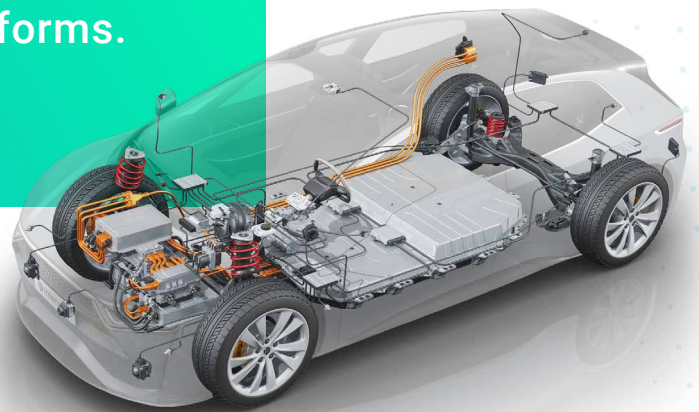

Interplex's solutions are in nearly every high-tech, smart and connected components imaginable. We enable the technologies of tomorrow with our innovations across megatrends – **Decarbonization and Future of Mobility.**

There is no one-size-fits-all approach in addressing the challenges of today. We understand that the needs of key OEMs and Tier 1s are more than just finding a product.

Uniquely positioned to enable product solutions that **EV makers can apply across a wide range of platforms.**

End-to-end customized solutions.
